

Dear *Mamma Mia* Cast & Crew,

Our friends at the Santander Performing Arts Center are thrilled to extend group discounted rates to our production of *Mamma Mia* in September. Here are some answers to some FAQs regarding Group Sales:

**What constitutes a group?**

Your order is eligible for group rates when you purchase 10 or more tickets to a single performance of *Mamma Mia*.

**What is the discounted rate for Groups of 10 or more?**

The Discounted Rates are **\$31.50 each for adults** (reg. \$36.50) and **\$26.50** (reg. \$31.50) each for children ages 2-12 years old and seniors 65 and older.

**Are there any additional fees for a group order?**

You will pay a single, flat \$10 processing fee for your Group Order.

**But really how much am I saving?**

When you factor in the \$5 discount per ticket PLUS the Ticketmaster Convenience fees you're avoiding, you save about \$15 per ticket!

**What if I don't know how many tickets I need just yet?**

Tammy will hold a block of seats for you for up to 2 weeks while you coordinate the details on your end. No deposit is due up front, so call Tammy to talk through how this process works.

**How do I pay for my group tickets?**

Group tickets can be paid for over the phone with Tammy using a single credit card

**I heard there is a pre-show dinner available?** Yes, the Santander Performing Arts Center's in-house caterer and Executive Chef Brian Berger offer a pre-show dinner upstairs at SPAC 90 minutes before the Friday and Saturday performances. **Dinner is just \$22 per person for a group** (reg. \$27).

**Friday, September 13:**
