## MESSAGE FROM THE DIRECTOR

---

Welcome to *Rock of Ages*!

This production has been a journey—loud, electric, and full of heart. From day one, the cast and crew poured everything they had into bringing this high-energy rock musical to life. It's not just the music or the neon lights that make this show special; it's the passion, commitment, and teamwork behind the scenes that turned it into something truly unforgettable.

I am eternally grateful to my staff for taking this crazy vision and molding it into the rocking production you see today! A directors creative vision is only as good as the team around him is willing to follow it!

I am incredibly proud of each and every person involved. Watching this group grow, push their limits, and support one another has been a privilege. What we've built together isn't just a show—it's a celebration of collaboration, perseverance, and the power of believing in one another. Thank you for joining us. Now sit back, turn up the volume, and enjoy the ride.

— Brandon Kegerize (Rock God) , Director
